

Bishkek International School

Terms of Reference Physics Teacher

Bishkek International School is a non-profit community school providing excellent international education in a safe, supportive and friendly environment. The school opened in September 2011 and now has 380 students from age 2 to 18. Fifty percent of our students are American, Asian and European citizens, children of employees of embassies, international organizations and international business or NGOs. Fifty percent of students are Kyrgyz citizens. The school welcomes all students regardless of ability, gender, ethnicity, language, or religious belief and everyone is encouraged to take part in all school activities. BIS is accredited by the New England Association of Schools and Colleges (NEASC) Commission on International Education. As an IB World School we offer the IB Diploma Programme, IB Middle Years Programme (MYP), and IB Primary Years Programme (PYP). We are also a Cambridge International School, with Cambridge Assessment International Education accreditation for the IGCSE programme.

ROLES & RESPONSIBILITIES

Teaching

1. Develop, deliver, and assess Physics teaching in the Cambridge IGCSE Programme and the IB Diploma Programme for Grade 9-12 (as required, according to student needs and teacher allocations).
2. Develop, deliver, and assess general science teaching in the IB Middle Years Programme for Grade 6-8 (as required, according to student needs and teacher allocations).
3. Align classroom learning and teaching to programme approaches and grade level requirements.
4. Create an engaging classroom environment that motivates students to learn and ensure all student expectations are high.
5. Provide a positive learning environment for each student and inspire students to expand their understanding and enjoyment of the subjects taught.
6. Differentiate instruction to meet the individual needs of each student to be socially and academically successful, having regard to the abilities and aptitudes of individuals.
7. Enhance lessons through incorporating technology into the teaching program and be creative in working with limited resources.
8. Use a wide range of assessment methods to ensure student knowledge and understanding are appropriately recorded.
9. Provide individual tutoring for students who need support to progress in their course (as required, according to student needs and teacher allocations).
10. Be an exemplary teacher, clearly demonstrating effective planning, teaching and organization, and high standards of achievement and behaviour in lessons.
11. Collaborate with other teachers to ensure a consistent approach to learning and achievement of standards for each group.
12. Work with Programme Coordinators to produce relevant planning documents and attend relevant Programme meetings.
13. Plan, keep and report appropriate records to school management and parents.

Other Responsibilities

1. Supervise Extended Essay Students for the IB Diploma (as required, according to student needs and teacher allocations).

Bishkek International School

2. Supervise relevant Community Service and CAS projects for High School students (as required, according to student needs and teacher allocations).
3. Organise and lead extra-curricular activities and student engagement to promote positive interactions among students of all ages and develop their academic, creative and sporting potential.

General

1. Maintain knowledge of current educational theory and practice and undertake professional training in liaison with the Head of Department.
2. Act in accordance with the budgets, policies, procedures, directions and decisions of the school management
3. Act as ambassador for the school and act in a manner that upholds the values and ethos of the school at all times
4. Maintain high quality standards in all areas of the school
5. Any other activities as agreed with management to contribute to overall development of the school.
