

GRADE 0-5 STUDENT LED CONFERENCES

This week our primary school students had an amazing experience of holding the PYP Student-Led Conferences to celebrate their academic progress. Our young learners from Grade 0 to Grade 5 demonstrated their academic growth and personal development directly to their parents.

Students eagerly prepared for these conferences, reflecting on their achievements, setting goals, and demonstrating newfound skills. Parents, in turn, gained valuable insights into their child's academic journey, witnessing their growth and enthusiasm.

We'd like to thank all parents and caregivers for their support in helping their child achieve their learning goals, and our wonderful Homeroom and Co-Teachers for guiding our students during the conference.

EXPLORING COINS FROM KYRGYZSTAN AND AROUND THE WORLD

In an interactive class session, fifth graders delved into the world of Kyrgyz coins.

They absorbed details about the unique designs, symbols, and historical elements adorning the Kyrgyz currency.

To put their newfound knowledge to the test, the students engaged in an exhilarating game, matching coins to different countries, fostering an engaging and educational experience that made geography come alive in their classroom.

DENSITY OF COMMON FLUIDS

Our enthusiastic Grade 6 students recently engaged in the "Density of Common Fluids" experiment. This hands-on activity aimed to deepen their understanding of density, a fundamental concept in physics.

ANNIVERSARY SHOW TICKETS FOR MARY POPPINS – SATURDAY, DECEMBER 9TH

Our 'Mary Poppins' Anniversary Show is on Saturday 9th December at the Philharmonia. Tickets cost 800 som (main hall) or 600 som (balcony). All ticket income is donated to the Educational Initiative Foundation to have a positive impact on children throughout the country, so please join us in supporting this wonderful charity. **Saturday 9th December is an official school day for BIS and seats are provided free of charge for all students and staff. There is no need to purchase tickets for BIS students.**

For parents and guests, please buy tickets online here using Visa, Mastercard, Elsom App, MBank App, 24pay, Quickpay, Megapay payment stations **OR pay our cashier at school who will purchase tickets on your behalf.** If you do not buy tickets in advance, you may be able to purchase tickets at the Philharmonia on 9th December, if seats are still available. Tickets purchased on the day will cost 1,000 som (for main hall and balcony).

All students in Preschool will be backstage at the start of the show, and will leave the stage into the audience after their performance. Preschool Parents who will leave at the intermission and not stay for 'Mary Poppins' may get free tickets from our cashier. Or, if staying for the full show, should reserve seats near to the front, which are easy to access when their children leave the stage.

We look forward to seeing everyone from the BIS community on 9th December, to enjoy performances from all grades from Preschool 1 to Grade 7 in the first half of the show, following by a wonderful performance of the musical 'Mary Poppins' by our very talented students after the intermission.

Based on one of the most popular Disney movies of all time, Mary Poppins is capturing hearts in a whole new way. The show is an enchanting mixture of irresistible story, unforgettable songs and breathtaking dance numbers!

PRESCHOOL 1

The favorite activity of the Preschool 1 students is playing games. They enjoy both indoor and outdoor activities and find learning through games enjoyable. This week has been fun; we made bracelets, crafted

animals, and built roads for cars/trains. Presently, we are practicing using tissues to clean our noses, changing shoes, and cleaning our classroom independently.

Ms. Guldana, Preschool 1 Homeroom Teacher

PRESCHOOL 2

This week, our little friends talked about places in our community like the police station, fire station, hospital, and school. We had fun discussions that helped us understand more about what these places do. In our art time, we used paper and glue to make tiny police stations, and it was a really enjoyable

hands-on activity. In math, we spent time on the number 6, doing activities to help the kids get to know and understand it better. We also went back to shapes, tracing them with stickers for some playful learning. The week was full of joy, learning, and creative fun!

Ms. Nuraida, Preschool 2 Homeroom Teacher

PRESCHOOL 3

This week was amazing and productive. In our language activities, we focused on the letter "M"! We explored the sound of "M" through fun songs and numerous activities. We learned words that start with "M" like Mice, Mask, Mountain, Memory, Money, and many more... We even got creative with cutting out pieces of paper to make our very own cute little Mice Masks.

In math, we had a blast learning how to count from 1 to 18 with 18 as our main focus, our Preschool 3 friends practiced tracing and identifying each number, which helped strengthen our number recognition skills.

It's been a productive and exciting week in the classroom, and I'm so proud of all the progress our little ones are making!

Ms. Bivo, Preschool 3 Homeroom Teacher
